

# Virtual & Hybrid Venue Management

BIZZEVENTS' Case Study

This event sought to **promote the use of Industry 4.0 technologies (Artificial Intelligence; Internet of Things; Machine Learning; Big Data; Robotics) and Inclusive Digitization in a Post-COVID-19 context**, focusing on the reactivation of the most affected strategic value chains across the APEC region.

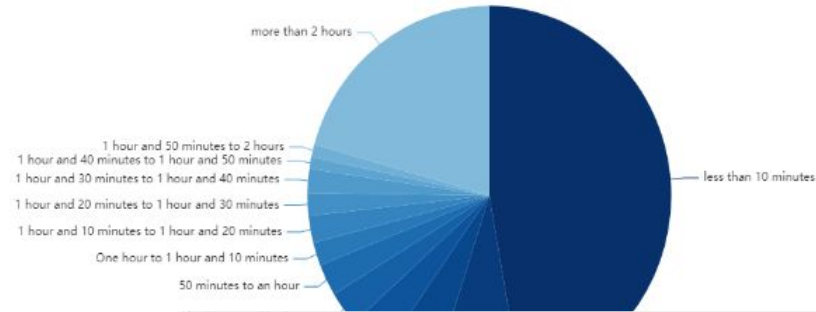

**1600+  
Registered**

**550+  
Attendees**

**240+  
Simultaneous**

**300+ sessions of  
2 hours or more**

A personalized experience with APEC-CONCYTEC branding through rooms and activities, allowed this event to reach a higher retention rate. **More than 550 users logged into BIZZ-DOME, whereas more than half of them stayed longer than 2 hours.**
